Cabinet Decisions 22-005
Majuro, Marshall Islands
[English]

On May 5, 2022, the Cabinet made the following two decisions...

1. The Cabinet appointed the Director of the Marshall Islands Marine Resources Authority (MIMRA) to become the RMI's designated authority to the Micronesia Challenge and participate in monthly Micronesia Challenge Steering Committee (MCSC) and related meetings.
2. Mrs. Yolanda Lodge-Ned was appointed by the Cabinet as a new member of the College of the Marshall Islands (CMI) Board of Regents, replacing Mr. Cutty Wase.

On May 12, 2022, the Cabinet made the following two decisions...

1. The Cabinet endorsed and approved the Fiscal Year 2023 Budget Circular. The Budget Circular provides necessary information and guidance to for Ministries and Agencies to formulate and develop their budget proposals.
2. The Cabinet approved of a National Social Economic and Climate Change Summit and appointed members of the NSP/SDG Committee, traditional leaders, and members of the Marshall Islands Mayors Association as the Summit Steering and Organizing Committee.

On May 30, 2022, the Cabinet approved the elimination of COVID-19 pre-quarantine requirements outside the RMI. The pre-quarantine requirements will be replaced with pre-travel staging and testing requirements. The protocols complement operations protocol for running a COVID19 quarantine and isolation facility.
