Government Distribution of COVID-19 Home Care Kits

As of today August 30 2022, Home care packages have been delivered to: communities throughout Majuro, Ailuk, Kwajalein, Wotje, Aur, Arno, Ailinglaplap, Jaluit, Maloelap, Mili, Utrik, Mejit, Ebon, and Namu. With suspected cases in Namdrik, plan is in progress to start sending these home care packages there. All remaining atolls/islands are also being worked on for distribution.

Volunteers have been going into the International Conference Center in Delap (ICC) to lend a helping hand from time to time. Volunteers have included Ms. Ingrid Kabua, High Court Clerk and HCP Site Manager, who has been leading the operations with other volunteer representatives from Nito Butterfly Foundation, COOPS's MadDogs, Majuro Senator Steven Phillip, EPA, WUTMI, MalGov, MOHHS, High Court, and various individuals.

The home care package contents are donations from within RMI and abroad, including ROC Taiwan, UNICEF, MI Red Cross, various Marshallese Communities abroad and RMI Missions. More are on their way. Contents include masks, hand sanitizers and hand soaps to help the community cope with the COVID-19 outbreak.

The public is encouraged to

- Be socially responsible

- Protect vulnerable individuals in your household by continuing good hand hygiene and limited physical interaction.
- Look Out for Public Health Advisories and Government Directives and comply with these
- Implementation of mask wearing mandate for the next 2 months
